Dear Kathy & Jenny

I am delighted to congratulate you on your school's academic results for 2014-15. The outcomes this year are among the highest in the Borough and have contributed tremendously in our work to improve life chances for primary pupils in Lewisham.

Of particular merit, are the strong scores at level 4+ and level 5+ combined in Key Stage 2 for all pupils and for disadvantaged pupils. It is particularly pleasing to note that nearly all Year 6 pupils made at least expected progress in reading, writing and mathematics and that three level progress rates were very strong too.

You may be interested to know the following information about how your school's results compared with those of all schools in the borough:

Measure	Ranking
Level 4+ in reading, writing and mathematics combined	2 nd
Level 5+ in reading, writing and mathematics combined	3 rd

I'm sure you are especially proud of the children's achievements. We know how hard you, the leadership team, governors and staff have worked to secure this performance and we want to thank you for your efforts.

Yours sincerely

Sara Williams
