

22nd September 2016

Dear Parent/Carer,

DRAMA WORKSHOP

Your child has hopefully told you about the wonderful workshops they had in Year 1 with a visiting theatre company. This term, Year 2 are fortunate enough to kick start their new topic of *The Great Fire of London* with another exciting theatre workshop on Wednesday 28th September. We will use this experience to stimulate writing and performance back in the classroom.

As you will be aware, theatre workshops are very expensive and though the school can cover some of the costs, we need to ask you for a voluntary contribution towards the expense. We are therefore asking each child for a voluntary contribution of £3 towards the price of their workshop. Please return the form below with the voluntary contribution to your child's class teacher.

Thank you.

Yours faithfully,

Year 2 Team
