

13th September 2016

Dear parents and carers,

On Monday 26th September, Eliot Bank will be celebrating the European Day of Languages. The aim of this day is to promote a love of language learning and understanding of different cultures. Activities will be organised in each class during the day.

We know that many of you speak other languages and would love it if you would like to share that with us. Would you be able to read a story to your child's class or teach them a song or nursery rhyme in another language? It doesn't have to be a European language.

If you can come in, please speak to your child's class teacher or complete and return the slip below by Wednesday 21st September.

Kind regards,

Ms Bridgman
French co-ordinator
