

Dear Parent / Carer,

Our context for learning this term is 'Toys'. Therefore we are writing to ask that your child brings in one of their toys to show the rest of the class. As we would like to display these toys in the classroom, it would be preferable to choose a toy which your child would not mind leaving at school for a while, and should be a toy which is not too precious!

If any parents/carers or grandparents have any old toys that they would be willing to bring in to show the children and talk to them about then please let us know. This would be during the week beginning 26th September.

With many thanks,

The Year 1 team.
