

Friday 3rd February 2017

Dear Parents and Carers,

This term we have started our new topic about the Homes from the Past which we will continue throughout the Spring term.

After investigating exciting trips or visits for the children, we have decided to invite an educational company in for the day on Thursday 9th March. Together, we will be having a Victorian Home Life Day. The children will have chance to look at artefacts, learn about what it was like at home in the Victorian times and carry out household chores. We will also be going on a local walk and will send out a separate letter with details of this.

The children are invited to dress in costume for the day.

In order to cover the cost of the day, we need to ask you for a voluntary contribution of £4. Please return money with the slip below by Friday 10th February. *If we do not receive enough contributions we will have to cancel the event.*

Thank you for your ongoing support,

The Year 1 Team
