

16th March 2017

**FLUTE TUITION**

Dear Parent/Carer,

Your child has been receiving flute lessons during the Spring Term. They have gained a lot from the experience, and have developed some fantastic musical skills.

We would like to offer them the opportunity of continuing to learn the flute in a small group each week beginning on Thursday 27th April. The children will continue to have their lessons at the same allotted time as they had in the Spring term. Pick up arrangements remain the same.

The cost per term will be £90 (including flute hire) or £60 if you have your own flute. We are able to offer a subsidy to those on Free School Meals of £45 per term (including flute hire) or £30 if you have your own flute. Please indicate on the form if your child would qualify.

If you decide to take lessons, your child must realise it is a commitment and they are expected to finish a 10 week block of lessons in the Summer term. If your child chooses to leave part way through a block of lessons, money will not be refunded and their place will be offered to another child.

Please indicate below if you would like your child to take up flute tuition, and return the slip to your child's class teacher as soon as possible.

I really hope you and your child decide that you want to take advantage of this great opportunity.

Please do not hesitate to contact me via the school office if you have any queries.

Many thanks.

Miss McKail
