

3rd Nov 2016

Dear Parent/Carer,

This term Reception are fortunate enough to have theatre group come into the school to work with them on Wednesday 9th Nov. The workshop is called "The Story of Chinye", a traditional African story based on the fairy tale 'Cinderella'.

This will be linked to our current author focus/book themes 'Traditional Tales' and will be used to stimulate writing and performance back in the classroom.

As you will be aware, theatre workshops are very expensive and though the school can cover some of the costs we need to ask you for a voluntary contribution towards the expense. We are therefore asking each child for a voluntary contribution of **£3** towards the price of their workshop. Please return the form below with the voluntary contribution to your child's class teacher.

Thank you.

Yours sincerely,
Eliot Bank Literacy Team
