

Hello Year 3!

We hope you are well through the recent rain, thunder, sunshine and enjoying yourselves. It can be a little challenging to come up with some new activities to keep occupied so maybe you would like to try this one.

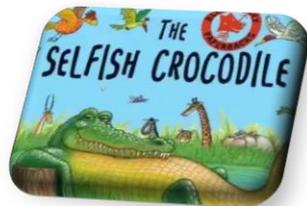

We have called it 'GUESS THE BOOK RIDDLE'.

Think of a book, write down 3 to 5 clues about the book then you could share the clues/riddles with a family member or a friend over the phone and let them guess the book you're thinking of.

For example:

- Rhymes with mobile
- The main character snaps
- All of the characters are animals

The book is,,,

I could have said, **the main character had a tooth ache** but that would have been too easy so be smart with your clues. Creating your 'GUESS THE BOOK RIDDLES' and be sure to share them with us, of course we would like to guess too. Take care for now.

We enjoy seeing the Mathletics you are doing! Between 8th June and 15th June Year 3 earned 8 Bronze and 2 Silver certificates - well done to the following people:

3DA: David, Zoe, Freja and Lukas

3JG: Xan, Joel, Carys and Grace

See if you can get a certificate next week!

Remember to send us examples of all the work you are doing via the school e-mail address: info@eliotbank.lewisham.sch.uk

Seeing it makes us really **HAPPY!!!**

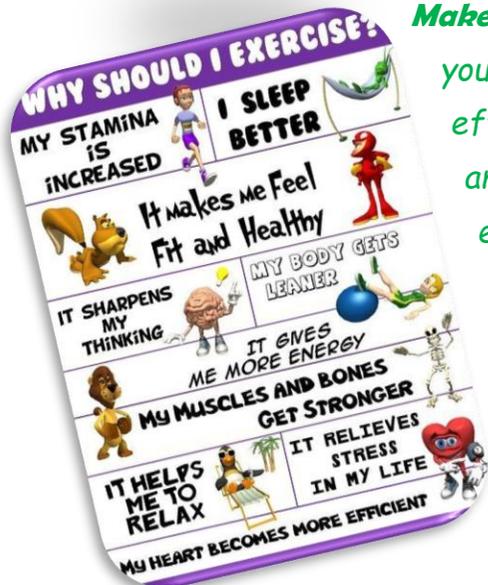

Message from Ms Allen:

Dear 3DA,

We meet again here, I hope you have watched and enjoyed my lesson last week about 'happiness'. Have you been doing activities that promotes your happiness? I hope so. If you haven't as yet or you need a reminder of activities that you can do to keep you happy, here are a few:

Make healthy food choices - This will help you to think clearly and have effective amounts of energy.

Message from Ms Green:

Dear 3JG,

So, another week has flown past. I really miss seeing you every day so while we can't be together I hope that you are enjoying the video lessons that are on the website for you to watch and join in with.

In my house we are super excited about taking part in the Summer Reading Challenge - if you have never

taken part before the idea is that you are challenged to read books over the summer holidays and there are some really fun activities to keep you motivated. I will have to make sure I read lots too - maybe we can all compare the books we have read when we get together again and you can let me know which ones you would recommend. Take a look at <https://summerreadingchallenge.org.uk/> to find out more about taking part.

Well done to everyone who has sent in photos of their work - please keep it coming in - it is great to see how productive you have been!

Keep working hard and
you can get anything
that you want.

Now compare
how you live with
The way the Awa
People live.

	A day as a pupil in London	A day as Akra in the Awa tribe
What time do you get up?	I wake up at 8 o'clock	5 AM they wake up at 5 AM
What do you have for breakfast?	I eat a healthy diet	they eat corn and beans
How do you get to school?	I sometimes walk	some don't go to school
What do you have for lunch?	I usually have a packed lunch	usually he has his good corn & from the rain forest
Where does your lunch come from?	my good corn comes from the shop	he sings and dances with the corn
What do you do for entertainment after school?	I play sport in the park	

Now challenge yourself - Extension task

- the rain forest is AA valuable to tribes because that is where they get their fresh air
- Good they can cut down trees to build their houses

there they're ✓

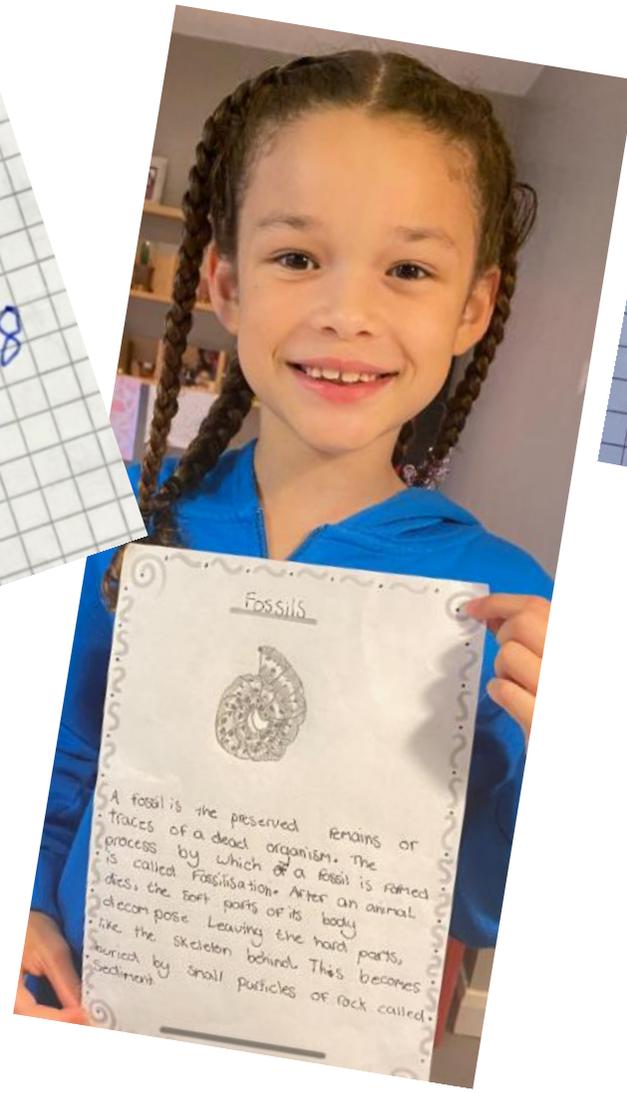

$$1. \begin{array}{r} 12 \\ + 8 \\ \hline 20 \end{array}$$

$$2. 19 + 9 + 8 = 36$$

$$3. \begin{array}{r} 4 + 9 + 8 = 18 \\ \quad \quad \quad \downarrow \\ \quad \quad \quad 10 \end{array}$$

$$4. \begin{array}{r} 4 + 6 + 5 = 15 \\ \quad \quad \quad \downarrow \\ \quad \quad \quad 10 \end{array}$$

$$5. \begin{array}{r} 13 + 14 + 15 + 16 = 58 \\ \quad \quad \quad \downarrow \quad \quad \downarrow \\ \quad \quad \quad 28 + 30 = 58 \end{array}$$

Fossils

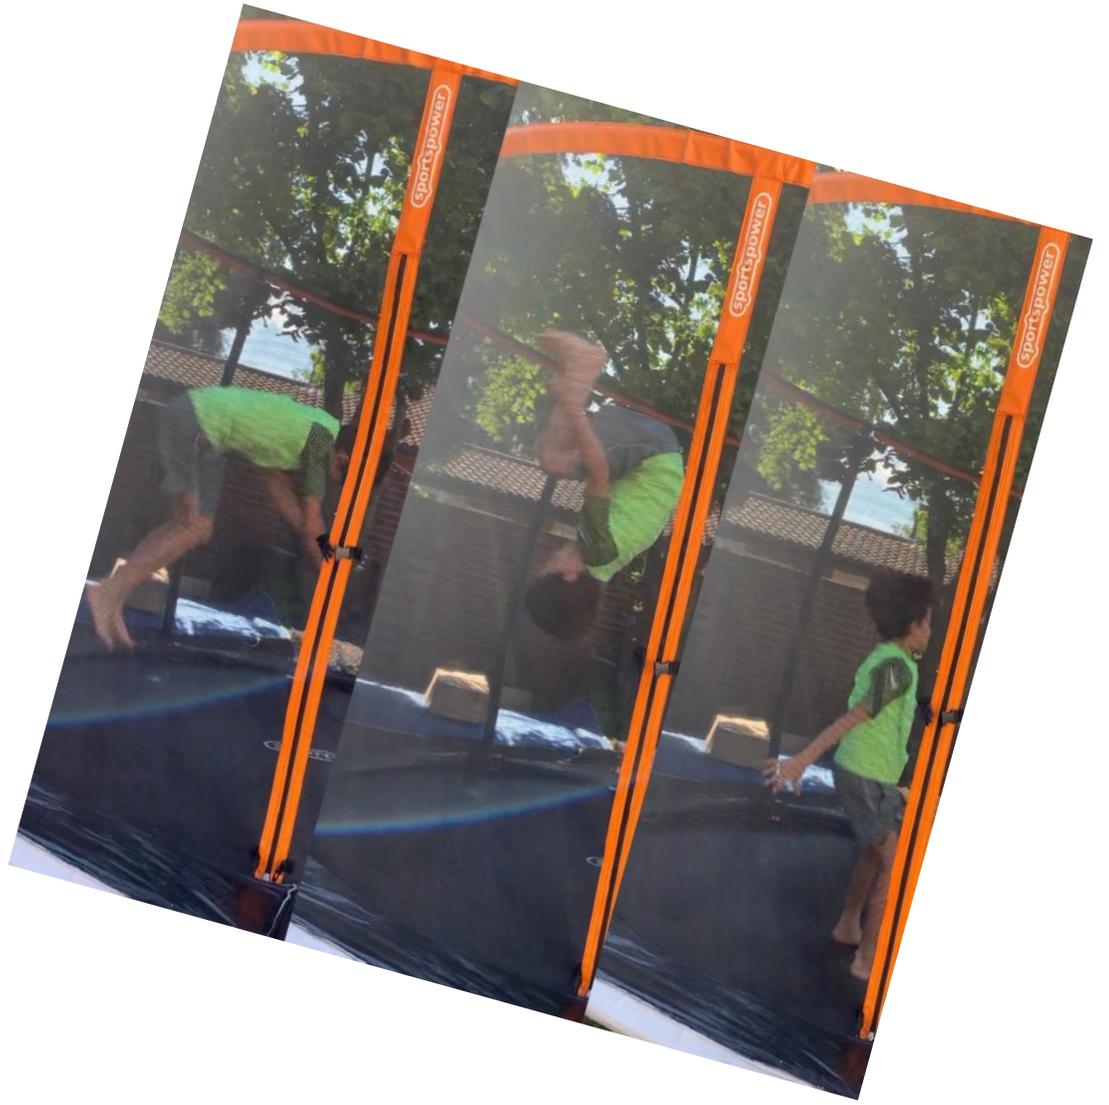

A fossil is the preserved remains or traces of a dead organism. The process by which a fossil is formed is called fossilisation. After an animal dies, the soft parts of its body decompose leaving the hard parts like the skeleton behind. This becomes buried by small particles of rock called sediment.

MY MAN MADE ROCK

So First I got a cup. Then I put a special powder in there (sand). After that I poured some water into the cup. I left it for 2 hours and then it was finished.

My rock is white. When I poured water onto my rock it changed colour. My rock has no patterns but there is writing because the plaster moulded around the cup. My rock feels smooth but the edges feel sharp.

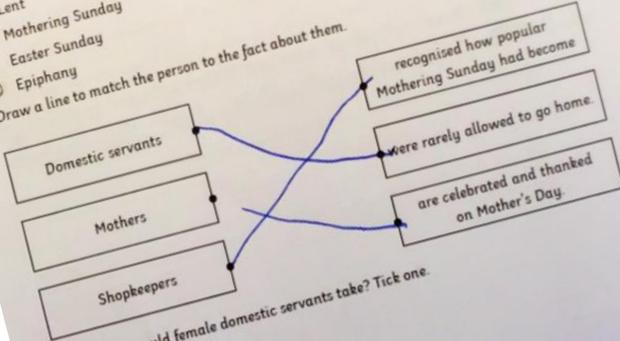

Questions

1. What is the name of the early Christian festival that Mother's Day is said to be based on?
Tick one.

- Lent
- Mothering Sunday
- Easter Sunday
- Epiphany

2. Draw a line to match the person to the fact about them.

3. Which role would female domestic servants take? Tick one.

- looking after horses
- washing cars
- being a maid
- reading and writing

4. Which of these is another name for the fourth Sunday in Lent? Tick one.

- Rose Sunday
- Floral Sunday
- Flowering Sunday
- Blossom Sunday

5. What role would male domestic servants take?

looking after horses

6. In which part of the country might people call the fourth Sunday of Lent 'Pudding Pie Sunday'?

county of Surrey

Based on 'Please do not feed the animals...' by Robert Hull

1. What is the poem about?
2. What time of year is it?
3. Have you ever seen a sign telling you not to do something? What did it say?
4. Choose your favourite part.

1. Look up 'disdain' in the dictionary. unworldly and condescension
2. Why are grapes and meringues not allowed? Because they are not organic and organic are long
3. What do you think could happen if the rattlesnakes ate fruit cakes? They would die
4. Does the poet like animals? How do you know? Yes because he doesn't not encourage 'bad' to happen to them.
5. Which part of the poem impressed you the most? Explain why. The end of the poem impressed me, because children can eat their own family.

Extra challenge:

Can you find out more about Robert Hull?
I can't I'm very sorry
