

The CB Stories 6: The Rebuild

from Peter Worley's *The If Machine*

If you haven't already, you will need to complete CB stories 1 (Friends), 2 (The Test) 3 (The Robbery) 4 (The Android) and 5 (The Lie) before doing The Rebuild.

Here's a quick warm up activity for you.

Draw a picture of you when you were younger and one of you now. You could find a photo or ask someone what you were like when you were younger.

Younger

Now

Responding Raccoon is looking for a quick response

Have you changed much from when you were younger?

<i>Has your name changed?</i>	
<i>Has your body changed?</i>	
<i>Do you do different things?</i>	
<i>Do you have different friends?</i>	
<i>Do you like the same food?</i>	
<i>Do you like different things?</i>

Disagreeing Dog doesn't agree with Miriam's mum. Can you finish his thought?

Woof! I Charlie is NOT the same charlie as before because...

Questioning Koala wants to know what you think

Is Charlie (CB) the same Charlie as before?

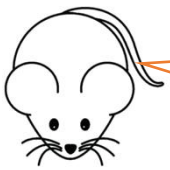

I think...

If-ing Fish has some sentences for you to think about

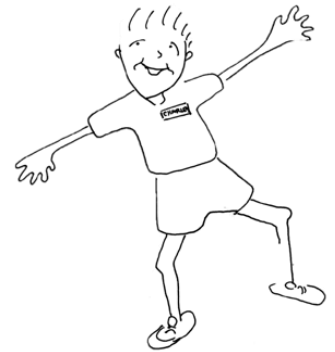

1. If someone changes their name, they are a different person.
2. If someone changes their personality, they are a different person.
3. If someone replaces all their body parts, like Charlie (CB), they are a different person.
4. If someone believes they are a different person, they are a different person.

Reasoning Rodent wants to know why. Choose TWO.

Which ones do you agree or disagree with? And why?

I agree/disagree with sentence number ___ because...

I agree/disagree with sentence number ___ because...

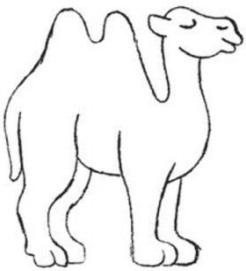

If-ing Fish has a tricky question...

If Charlie couldn't remember his name, who Miriam is... in fact, if Charlie couldn't remember anything about his life, would he be the same person?

I think Charlie **is not/is the** same person because...

Concluding Camel thinks about everything that has been said. Look back at everything you have written and answer the question.

What makes someone the same person?

What makes someone the same person is...

But I also think...
