in Need

SPOTACULAR

4 November 2020

Dear Parents/Carers,

Friday 13th November 2020 is Children in Need.

Everyone at Eliot Bank will be getting involved, raising money by having fun and learning about how Children in Need is helping change children's lives around the UK. This year, Children in Need's focus is on children's mental well-being and we will be exploring this further on the day.

As a whole school, we'll be trying to raise as much money as we can by taking part in a spotty themed fundraiser - children (and staff) come to school on Friday 13th November dressed in as many spots as you can and donate £1 to Children in Need on the day.

We want Children in Need to be a spot-tacular success in 2020, so get involved. If your child is fundraising for Children in Need out of school do let us know—we'd love to hear about it!

Kind regards,

Miss Kelly
School Council Coordinator

BBC Children in Need -
helping children smile all around the UK.
