

Pencil Control: Pattern Worksheet 1

Can you follow the lines to make the patterns?

The worksheet contains nine rows of handwriting practice. Each row is bounded by two horizontal lines, with a thick purple line above and below. The patterns are zig-zag lines between the two horizontal lines. The first row shows a solid purple zig-zag followed by a dashed purple zig-zag. The second row shows a solid purple zig-zag followed by dashed zig-zags with colored dots at the vertices. The third row shows a dashed zig-zag with colored dots. The fourth row shows a dashed zig-zag with colored dots. The fifth row shows a dashed zig-zag with colored dots. The sixth row shows a dashed zig-zag with colored dots. The seventh row shows a dashed zig-zag with colored dots. The eighth row shows a dashed zig-zag with colored dots. The ninth row shows a dashed zig-zag with colored dots.

Can you follow the lines to make the patterns?

Pencil Control: Pattern Worksheet 3

Can you follow the lines to make the patterns?

The worksheet contains eight rows of handwriting practice. Each row is bounded by a top purple line, a middle black line, and a bottom black line. The first row is split into two halves by a vertical purple line. The left half shows three solid purple arches. The right half shows three dashed arches with arrows indicating the direction. The second row starts with a solid purple arch, followed by four dashed arches in green, red, cyan, and pink. The third row starts with a solid purple arch, followed by six dashed arches in green, red, cyan, pink, yellow, and orange. The fourth row starts with a solid purple arch, followed by three dashed arches in green, red, and cyan, then a gap, then three dashed arches in pink, yellow, and orange. The fifth row starts with a solid purple arch, followed by seven dashed arches in green, red, cyan, pink, yellow, orange, and purple. The sixth row starts with a solid purple arch, followed by three dashed arches in green, red, and cyan, then a gap, then four dashed arches in pink, yellow, orange, and purple. The seventh row starts with a solid purple arch, followed by eight dashed arches in green, red, cyan, pink, yellow, orange, purple, and blue. The eighth row starts with a solid purple arch, followed by ten dashed arches in green, red, cyan, pink, yellow, orange, purple, blue, yellow, and orange. Each row has a small arrow on the left side of the bottom line indicating the starting point and direction.

Pencil Control: Pattern Worksheet 6

Can you follow the lines to make the patterns?

The worksheet features several rows of handwriting practice lines. Each row consists of four horizontal lines. The patterns are as follows:

- Row 1:** A solid purple line with a vertical bar in the middle. To the left of the bar, there are two arches (one blue, one green) and two zig-zags (one blue, one green). To the right of the bar, there are two dashed arches (one blue, one green) and two dashed zig-zags (one blue, one green).
- Row 2:** A solid purple line. Below it, there are two rows of arches and zig-zags. The first row has solid lines for the arches and dashed lines for the zig-zags. The second row has dashed lines for both arches and zig-zags.
- Row 3:** A solid purple line. Below it, there are two rows of arches and zig-zags. The first row has solid lines for the arches and dashed lines for the zig-zags. The second row has dashed lines for both arches and zig-zags.
- Row 4:** A solid purple line. Below it, there are two rows of arches and zig-zags. The first row has solid lines for the arches and dashed lines for the zig-zags. The second row has dashed lines for both arches and zig-zags.
- Row 5:** A solid purple line. Below it, there are two rows of arches and zig-zags. The first row has solid lines for the arches and dashed lines for the zig-zags. The second row has dashed lines for both arches and zig-zags.
- Row 6:** A solid purple line. Below it, there are two rows of arches and zig-zags. The first row has solid lines for the arches and dashed lines for the zig-zags. The second row has dashed lines for both arches and zig-zags.
- Row 7:** A solid purple line. Below it, there are two rows of arches and zig-zags. The first row has solid lines for the arches and dashed lines for the zig-zags. The second row has dashed lines for both arches and zig-zags.

Can you follow the lines to make the patterns?

Pencil Control: Pattern Worksheet 8

Can you follow the lines to make the patterns?

The worksheet contains several rows of handwriting practice on a four-line grid. Each row begins with a colored dot and a downward arrow indicating the starting point and direction. The patterns include:

- A solid purple diamond followed by dashed diamonds in various colors (green, red, cyan, pink, yellow, orange).
- Two rows of circles: the first row has solid purple circles followed by dashed circles in various colors; the second row has solid purple circles followed by dashed circles in various colors.
- Two rows of arches: the first row has solid purple arches followed by dashed arches in various colors; the second row has solid purple arches followed by dashed arches in various colors.
- Two rows of triangles: the first row has solid purple triangles followed by dashed triangles in various colors; the second row has solid purple triangles followed by dashed triangles in various colors.
