Eliot Bank School Class Spellings 2020/21 Summer (1)

The list contains up to ten words we are practicing to spell in class this half term. By learning how to spell these words, it will help develop your child's language skills, their spoken descriptions and their overall writing. Please encourage and practice learning these words at home by using short but frequent opportunities.

For strategies and activities that you can use, please refer to your child's class teacher. These websites could be a good starting place for ideas: <https://www.readandspell.com/how-to-teach-spelling-words> and <https://www.3plearning.com/blog/spelling-strategies-that-work/>
