Equality Objective 1

Fully embed the principles of the Race Equality Pledge so that:

- the status of the pledge is raised in the wider school community;
- its principles are threaded through all aspects of our work; and
- outcomes for Black Caribbean pupils, particularly boys, are improved at the expected and the higher standards.

Equality Objective 2

Increase levels of parental engagement, with a focus on ensuring equality and fairness in access to opportunities, both in and out of school.

Equality Objective 3

From Y1-Y6, diminish the difference between boys' and girls' outcomes at the higher standard in Maths and Writing, so that:

- the number of girls achieving the higher standard in Maths is increased; and
- the number of boys achieving the higher standard in Writing is increased.
