Bikeability

Wednesday 14th December 2022

Dear Parents/ Carers,

There is a great opportunity for 24 children in 6MQ and 6SB to take part in Bikeability training. The course begins on **16th January 2023**.

This safe, structured and standardised programme is designed to make your child a more competent cyclist and prepare them for eventually cycling on the road.

The course is run over five days. Initially, the children will stay on the playground to complete Level 1. Over the following days, the children who successfully pass Level 1 on the playground, are taken out on the road in small groups to continue their training.

For more information on the training covered please visit:
www.cycleconfident.com/courses/school-level1/

Training will be carried out by Cycle Confident, the borough's cycle training provider, and will be delivered by 2 fully accredited National Standards cycling instructors with enhanced DBS checks. Pupils taking part must have their own roadworthy bicycle of an appropriate size in relation to their height.

Pupils need to be able to bring their bicycle to school throughout the week. Children also need to bring a cycle helmet (although there is an option to borrow a helmet if necessary).

Please read the notes attached to this letter and send the Consent Form back to school no later than the 3rd January 2023, giving your child permission to take part. If we have more than 24 children interested, we will select names at random.

If you have any further questions, please contact us via the school office.

Kind regards,

Y6 Team
Ms Quinn, Ms Bridgman and Ms Steadman
